

**Warminster Sideroad Drainage Improvements
Municipal Class Environmental Assessment
Notice of Study Completion**

The Township of Oro-Medonte has completed a Drainage Improvement Study following schedule B of the Municipal Class Environmental Assessment Process (Phases 1 & 2) to identify the existing drainage deficiencies and develop drainage solutions to address the deficiencies, reduce flooding, resolve public safety concerns and improve maintenance opportunities through a section of Warminster Sideroad.

One (1) Public Information Center (PIC) was held where the public and interested stakeholders could provide comment on the project details and the various physical, natural, social, cultural and economic impacts. In addition, property owners who would be directly impacted by the proposed drainage improvement solutions were directly consulted. No public or agency comments were received to date. An Environmental Study Report (ESR) has been prepared that documents the study process and presents the Preferred Solution. By this notice, the Warminster Sideroad Drainage Improvements ESR is available for public review starting June 3, 2024 at the following locations:

Hardcopy

The Township of Oro-Medonte
Clerk's Office
148 Line 7 South
Oro-Medonte, ON L0L 2E0

In addition, a request to the Minister of the Environment, Conservation and Parks for an order imposing additional conditions or requiring a comprehensive environmental assessment may be made on the grounds that the requested order may prevent, mitigate or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests should include your full name and contact information. Requests should specify what kind of order is being requested for what project(s) (additional conditions or a comprehensive environmental assessment), explain how an order may prevent, mitigate or remedy potential adverse impacts, and can include any supporting information. The request should be sent by mail or email to:

Minister
Ministry of the Environment, Conservation and Parks
777 Bay Street, 5th Floor
Toronto ON M7A 2J3
Minister.mecp@ontario.ca

Director
Environmental Assessment Branch
Ministry of the Environment, Conservation and Parks
135 St. Clair Avenue West, 1st Floor
Toronto ON M4V 1P5
EABDirector@ontario.ca

A duplicate copy of the request must also be forwarded to Justin Metras at the Township, at the address provided above. For more information on the section 16 order process, please visit: <https://www.ontario.ca/page/class-environmental-assessments-section-16-order>.

If no requests are received, the Township, upon receipt of the necessary approvals, plans to proceed with implementation of the Preferred Solution recommended in the Drainage Improvement ESR, dependent on future budget approvals.

All personal information included in your request – such as name, address, telephone number and property location – is collected, under the authority of section 30 of the Environmental Assessment Act and is collected and maintained for the purpose of creating a record that is available to the general public. As this information is collected for the purpose of a public record, the protection of personal information provided in the Freedom of

Information and Protection of Privacy Act (FIPPA) does not apply (s.37). Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential.
