NOTICE OF INTENT

Horseshoe Highlands Elevated Tower Rehabilitation

Notice is hereby given by the Township of Oro-Medonte of its' intent to contract with Landmark Municipal Services, Western Mechanical and AECOM Canada Ltd. for the rehabilitation of the Horseshoe Highlands Elevated Tower.

The Township's Director of Environmental Services will be submitting a 'report to council' on August 14, 2024, to obtain Council approval. This decision to proceed with the above contractors falls into non-standard procurement under provision 7 (Exceptions) of the Purchasing and Tender By-law (2004-112). It has been determined that Landmark Municipal Services has the expertise and capacity to fulfill this specialized project. For continuity, familiarity and in the best interests of the Township, both Western Mechanical and AECOM Canada Ltd. have been chosen for their previous work, specifically, continuity and conformity with this site.

Vendors wishing to object to this decision should email a letter of objection presenting specific reasons for their objection by 4:00:00 p.m., local time, August 8, 2024.

Email: dkitchener@oro-medonte.ca referencing **ES2024-13**.
